Administrative Procedure - Unsafe School Choice Option

Illinois public school districts must comply with the following two statutes: (1) 105 ILCS 5/2-3.134 requires ISBE to maintain data and publish a list of persistently dangerous schools, and (2) 105 ILCS 5/10-21.3a requires each school board to adopt a policy governing the transfer of students within the district from a persistently dangerous school to another public school in the district. Board policy 4:170, Safety, fulfills this requirement with its section on **Unsafe School Choice Option**.

This procedure implements the policy. It incorporates guidance issued by the U.S. Department of Education (DOE), *Unsafe School Choice Option, Non-Regulatory Guidance*, www2.ed.gov/policy/elsec/guid/unsafeschoolchoice.pdf, when NCLB was in effect. NCLB was repealed. A new law took its place called the Every Student Succeeds Act (ESSA), which amended ESEA on December 10, 2015. ESEA, as amended by ESSA, still requires states to implement an unsafe school choice option; however, the DOE has not updated its guidance to be consistent with this new law. This procedure incorporates DOE guidance to the extent that it is consistent with the new law. Frequent ESSA implementation guidance is expected as states implement the new law.

Unsafe School Choice Option for Students in Persistently Dangerous Schools

Actor	Action
ISBE	Identifies each Illinois school that is a <i>persistently dangerous school</i> as defined in 105 ILCS 5/10-21.3a(b) (attached). As of May 2014, ISBE has not identified a <i>persistently dangerous school</i> .
Building Principal or designee	Within ten calendar days of identification, or longer time if necessary, notifies by U.S. mail, the parents/guardians of students attending a <i>persistently dangerous school</i> , of that school's status as <i>persistently dangerous</i> .
Superintendent	Keeps the Board informed as appropriate. Determines which, if any, schools will receive students assigned to a <i>persistently dangerous school</i> . The recipient school may be a public charter school. If a recipient school is not available in the District, the Superintendent will explore other appropriate options, e.g., intergovernmental agreements with another district to accept transfer students. The needs and preferences of affected students and parents/guardians will be considered. Develops and implements a corrective action plan.
Building Principal or designee	Within 20 calendar days of identification, or longer time if necessary, informs parents/guardians of the following: 1. The status of the corrective action plan; and

	2. The identities of any available school or public charter school into which students may transfer.
Parents/guardians	As soon as possible after being informed of the unsafe school choice option, confers with the Building Principal concerning whether to exercise the transfer option.
Building Principal or designee	Executes any requested transfers as soon as possible. Transfers will be in effect at least while the original school is identified as <i>persistently dangerous</i> . When determining the transfer length, the Principal considers the student's educational needs as well as other factors affecting the student's ability to succeed if returned to the transferring school.
Superintendent or designee	Upon corrective action plan's completion, requests that ISBE remove the school from the list of <i>persistently dangerous schools</i> .
