Administrative Procedure – Summer School

The following general criteria has been developed for the establishment of summer school programs:

1. Summer school will be open to all pupils living within the district. Elementary summer school will follow grant funding guidelines.
2. Attendance will be compulsory if summer school is being taken for credit and/or promotion..
3. The District will not provide transportation.
4. A book rental or supply fee may be charged.
5. Whenever the State does not reimburse summer school, tuition will be charged in the amount needed to defray costs incurred.
6. A summer school committee will make necessary arrangements each year for course offerings, staff needs, locations, and dates.
7. Refund of pupil tuition shall be made up until the first day of summer school classes.
