

## **Community Relations**

### **Senior Citizens**

The Board of Education of Community Unit School District #9 believes that the work and dedication of the citizens of this community should not be forgotten when they reach the age of retirement.

Therefore, it shall be the policy of this District to issue lifetime passes to those citizens in our District who are 65 years of age or older. These passes shall grant the individual free admittance to school activities with certain exceptions as determined through administration of this policy.
